

## OPENING AND FIRST SESSION OF ORGANISMS PARLIAMENT

16:10 Opening Speech Dr. Hannes Anbelang (Organisms Club)

16:15 Guided Tour and in parallel Swearing In Ceremony of Parliament

16:30 Opening Speech by the Speaker of Parliament, announcement of budget

16:35 Agenda item 1 (AI1) Fungi Moss Lichen: Elder Bark Fungus *Lyomyces sambuci* Robert Raedel: Proposal of parliamentary rules of procedure.

16:50 AI 2 Trees Shrubs Climbers: Black Elder *Sambucus nigra*: Repression of the citizen *Clematis vitalba*. Like other Trees and Shrubs Black Elder is strongly oppressed and sometimes suffocated by the growth of *Clematis vitalba*.

17:05 AI 3 Worms and Molluscs: *Enchytraeus albidus* White Worm Dan Belasco Rogers: Request to chop up a part of the dead branches in the entrance area and create concentrated heaps to make accessible food resources.

17:15 AI 4 Single Celled Org. Bacteria, Viruses: *Culex pipiens* EPV mosquito virus and *Gluconobacter ox.* Virus Johanna Heuveling: Installment of a second small water body to create a more humid area which favors humidity dependent citizens, e.g. viruses in waterinsects.

17:25 AI 5 Trees Shrubs Climbers: Black elder *Sambucus nigra* Aurelie Richards: Proposal for constitutional amendment to work with new parliamentary groups during the next legislative period.

17:45 AI 6 Neobiota: *Robinia pseudoacacia* Thomas Hauck: Request for cooperation with the company LIDL by taking over their green area as Organisms Democracy, perspective a proposal to Lidl to allow all green areas at their markets Europe-wide as Organisms Democracies.

## BEYOND NATURE\_ORGANISMS REPUBLIC BERLIN 12.09.2020

18:00 AI 7 Arthropods: *Lucilia caesar* Emperor Golden Fly Ursula Napravnik: Regulation concerning the conservation of resources. Dead vertebrate citizens in Organisms Democracy must not be buried by the Executive.

18:10 AI 8 Fungi Moss Lichen: Hair ice Fungus *Exidiopsis effusa* Franziska Matthis and Elder Bark Fungus *Lyomyces sambuci* Robert Raedel: „Rhizome not Hierarchy!“ For an exhibition about the Revolutionary Being and the Grassroots Democracy of Fungi Moss Lichen.

18:20 AI 9 Vertebrates and Trees Shrubs Climbers: Squirrel *Sciurus vulgaris* Miriam Scherf and Hazelnut *Corylus avellana* Volker Ackermann: Proposal to improve the conditions for Hazelnut Bushes.

18:30 AI 10 Vertebrates: Brown Rat *Rattus norvegicus* Carolin Geisler: Bats to be recognised as Citizens of Organisms Democracy now. As a compensation for being denied Citizenship, the bats demand the installation of bat nesting boxes on the surrounding houses (Lidl Supermarket).

18:40 AI 11 Asylum applications, Applicants for Citizenship:

1. presented by Herbs Grasses Perennials: *Cardamine hirsuta* Bittercress Evgenia Chetvertkova: *Anemone ranunculoides* buttercup anemone, early flowering geophyte in forests and *Gymnocarpium dryopteris*, oak fern in forests.
2. presented by Worms and Molluscs: White Worm *Enchytraeus albidus* Dan Belasco Rogers: *Balea biplicata* snail and its forage plant *Cirsium oleraceum*, that needs water close by.

18:55 AI 13 Election of the Garden Executive.

19:00 Preview 2021, End of Session.
